

Angelie Anne L. Ramirez

Computer Engineer

• +63 930 300 7069 • angelieannelramirez@gmail.com • San Rafael Baruya, Lubao, Pampanga

EDUCATION

Bachelor of Science in Computer Engineering

Pampanga State University

📍 Cabambangan, Bacolor, Pampanga

- 2023-Present
- Honors: Dean's List 2nd Semester (A.Y 2024-2025)

Science, Technology, Engineering, and Mathematics

Mary the Queen College of Pampanga

📍 San Matias, Guagua, Pampanga

- 2021-2023
- Honors: With High Honors (Grade 11-12)

SKILLS & INTERESTS

Technical Skills

HTML, CSS, Canva, Adobe Photoshop, Microsoft Office (Word, Excel, PowerPoint), Basic Network Configuration & Troubleshooting, System Modeling, Prototype Development

Soft Skills

Creative Problem Solving, Project Planning, Technical Documentation, Quality Assurance, Leadership, Team Coordination, Attention to Detail

Interests

UI/UX Design, Visual Design, Virtual Design, Photo Editing, Video Editing, Creative Technology

EXPERIENCE

Student Developer

Personal and Academic Projects

📅 2023 - Present

- Designed and developed small-scale webpages, applications, systems.
- Created user interfaces and implemented application features.
- Used GitHub for version control and project documentation.

Student Prototype Designer

Academic Projects

📅 2023 - Present

- Developed physical miniature models and structural designs for academic projects.
- Created visual representations and layouts to support project planning.
- Improved skills in technical documentation and design implementation.

CERTIFICATION

Basic Occupational Safety and Health (BOSH) - Safety Officer 2 (SO2)

Engineering Insite Hub

• June 2026

Legacy Responsive Web Design V8

freeCodeCamp

• June 2026

PROJECTS & PORTFOLIO

Urban Roast - Cafe Website

🔗 https://angeliannelramirez.github.io/urban_roast/

- Technologies Used:
HTML | CSS | JavaScript | Node.js | Firebase | EmailJS

Numerical Methods - Calculator Website

🔗 https://angeliannelramirez.github.io/numerical_methods/

- Technologies Used:
HTML | CSS | JavaScript

DiSiPro - Application

🔗 <https://github.com/angeliannelramirez/disipro/releases/tag/v1.0>

- Technologies Used:
Python | Tkinter | PyInstaller

My Portfolio
